Thank you for your time. Your next site inspection will be in about 6 months. Our Best Management Practices manual is available online at <http://www.FDACS.gov/Divisions-Offices/Aquaculture> or you may contact me for a hard copy. Please contact the Division if you plan to expand or alter your facility. If you have any questions or concerns, please contact me at the Bartow field office.

On this date the Division of Aquaculture completed an inspection of your facility to determine the extent of compliance with the requirements of the Aquaculture Certification Program's Best Management Practices (BMPs). Following review of your facility and/or required records, it has been determined that you are currently meeting all the minimum requirements of the Florida Aquaculture Best Management Practices at this facility.

If you have any questions or need additional assistance, please contact the Division of Aquaculture: Tallahassee, 850-617-7600, or Bartow, 863-578-1870.
